4. Veranstaltung von Gesellschaftsfahrten durch die Stationen. Die wichtigsten Stationen der schweizerischen Bundesbahnen und zum Teil auch solche von Privatbahnen veranstalten Gesellschaftsfahrten nach landschaftlich schönen Gegenden und sonst interessanten Orten der Schweiz. An diesen Fahrten, die unter kundiger bahnamtlicher Führung stehen, kann jedermann teilnehmen. 10. Nähere Auskunft über die vorstehend erwähnten und alle weiteren Verkehrseinrichtungen erteilen bereitwillig und unentgeltlich die Stationen. Bei diesen können auch die betreffenden Bestimmungen eingesehen werden.

II^o pour écoliers et apprentis. III^o pour ouvriers.

Les chemins de fer fédéraux émettent également des abonnements annuels sur des parcours combinables au gré du voyageur, d'une longueur totale de 800 km de tarif au maximum.

D'autres entreprises de transport, non intéressées au tarif des abonnements généraux, accordent aux titulaires de ces derniers des réductions de taxe de 10 à 50% sur les prix des billets ordinaires.

i) Des abonnements donnant droit à des demi-billets sont émis aux prix suivants :

En outre, un dépôt de fr. 5.— doit être effectué lors de la délivrance de l'abonnement; ce dépôt est remboursé si l'abonnement périmé est restitué le premier jour suivant l'expiration du délai de validité, jusqu'à 14 heures au plus tard.

Ces abonnements autorisent leur titulaire à effectuer, à l'aide de billets ordinaires à demi-taxe, un nombre illimité de courses sur les parcours des chemins de fer fédéraux et de la plupart des entreprises de transport privées suisses (chemins de fer et bateaux à vapeur).

k) Billets de famille à prix réduit sont délivrés pour des voyages d'aller et retour et des voyages circulaires lorsque 4 personnes ou moins appartenant à la même famille: parents et enfants (enfants d'un autre lit et enfants adoptifs également) de n'importe quel âge, voyagent en commun. Les personnes désignées ci-après peuvent également prendre part au voyage à prix réduits en tant qu'elles vivent dans le même ménage: personnes ayant des liens de parenté avec les membres de la famille, enfants recueillis, personnel féminin du ménage; ces personnes n'entrent toutefois pas en ligne de compte pour déterminer le nombre minimum de participants.

Des billets de famille (de toutes classes) ne peuvent être obtenus que si le prix d'un billet ordinaire de III^e classe (sans surtaxe pour trains directs) est de trois francs au moins par personne. D'une manière générale, les prix correspondent aux taxes du tarif des sociétés pour 8 à 14 personnes (voir lit l). En cas d'utilisation de trains directs à surtaxe, il n'est perçu que la moitié de la surtaxe.

La durée de validité des billets est de 10 jours. Pour les parcours comportant un total de 300 km au moins, il est aussi émis des billets d'une durée de validité de 15 jours.

Les billets de famille doivent être commandés à l'avance au moyen d'un formulaire spécial.

pour les écoles: écoliers jusqu'à 12 ans	65 à 75 %
" de plus de 12 ans jusqu'à 15 ans	55 à 65 %
" " 15 "	45 à 55 %

Les prix pour voyages d'aller et retour comportent encore une réduction de 15% sur les taxes, déjà réduites, de simple course.

La surtaxe pour trains directs est réduite de moitié pour les voyages effectués avec billets collectifs.

Durée de validité des billets collectifs, selon la longueur du trajet, 4 à 10 jours. Pour les voyages de société on peut, moyennant paiement d'un léger supplément, effectuer soit l'aller, soit le retour, individuellement.

Les gares fournissent volontiers aux sociétés et écoles tous les renseignements utiles au sujet de la composition du voyage (choix de l'itinéraire, établissement de l'horaire, calcul du prix).

4. Organisation de voyages de sociétés par les gares. *Les principales gares des chemins de fer fédéraux et, en partie, aussi celles des chemins de fer privés suisses organisent des voyages de sociétés à destination de belles contrées et d'endroits intéressants de la Suisse. Ces voyages, qui sont effectués sous la conduite d'agents expérimentés du chemin de fer, sont accessibles à chacun. Indépendamment des taxes réduites, ils offrent un autre avantage appréciable, les participants n'ayant à se soucier de rien quant à l'horaire, la réservation des places, etc. Sur demande, le chemin de fer s'occupe également des repas et du logement des participants.*

5. Utilisation de titres de transport sur d'autres parcours. *Sur les parcours des chemins de fer fédéraux, les titres de transport (à l'exclusion des abonnements pour parcours déterminés et des billets collectifs) peuvent, pour la même station destinataire, être rendus valables par une autre route; dans certains cas, ils peuvent également l'être à destination ou au départ d'une station d'une autre ligne. Dans chaque cas, il y a lieu de s'adresser aux stations.*

6. Il existe des tarifs spéciaux pour le transport de malades par voitures spéciales, pour la location de voitures à voyageurs et de fourgons à bagages, pour la location de compartiments de I^o et de II^o classe et pour le transport de cercueils.

7. Réduction de taxe pour enfants. *Les enfants au-dessous de 4 ans qui n'occupent pas de place à part sont transportés gratuitement. Les enfants de 4 à 12 ans paient en général la moitié du prix pour adultes.*

8. En outre, le transport des voyageurs et des bagages est régi par les dispositions du règlement de transport des entreprises de chemins de fer et de bateaux à vapeur suisses, du 1^{er} janvier 1894, ainsi que par les tarifs internes et directs, de même que par les règlements de ces entreprises.

9. Bons permettant de retirer des billets (dans des buts de cadeaux). *Les stations suisses délivrent, contre paiement du prix du billet, des bons permettant de retirer gratuitement, à la station de départ, le titre de transport en question. Cette institution offre la possibilité de payer un voyage à quelqu'un sans avoir à lui envoyer l'argent nécessaire.*

10. Les gares fournissent avec empressement et gratuitement des renseignements plus précis sur ce qui précède de même que sur toutes autres questions intéressant le trafic. Les conditions y relatives peuvent également être consultées auprès des gares.

Per andata e ritorno un'ulteriore riduzione del 15 % dei prezzi già ridotti di corsa semplice.

Il supplemento di treno diretto è ridotto della metà per viaggi con biglietto collettivo.

Durata di validità dei biglietti collettivi: 4 a 10 giorni, secondo la lunghezza della tratta da percorrere.

Nel caso di viaggi in comitive è permesso l'andata, oppure il ritorno individuale dietro pagamento di un modico supplemento.

Le stazioni si tengono ben volentieri a disposizione di comitive e scuole per orientarle in tutti i modi nell'elaborazione di piani ed itinerari di viaggio (scelta degli istradamenti, compilazione dell'orario, ecc.).

4. Organizzazione di viaggi in comitiva da parte della stazione. Le stazioni più importanti delle Strade ferrate federali ed anche alcune delle ferrovie private organizzano gite ed escursioni in comitiva in belle regioni ed a siti pittoreschi ed interessanti della Svizzera. A queste gite ed escursioni (viaggi in comitiva), dirette da funzionari ferroviari esperti, potrà prendere parte chiunque. In più di un prezzo di viaggio modico, esse offrono ai partecipanti il prezioso vantaggio di non aver ad occuparsi nè dell'orario, nè dell'assicurarsi i posti ed in più di sapere che vien provveduto senz'altro anche per il vitto e l'alloggio.

5. Utilizzazione di titoli di viaggio su altre tratte. Sulla rete delle strade ferrate federali i titoli di viaggio (eccettuati gli abbonamenti per percorrenze determinate ed i biglietti collettivi) possono essere resi validi per la medesima stazione destinataria, su altra via, nonchè, in certi casi, per o da una stazione di altra linea. Rivolgersi al riguardo in tutti i casi alle stazioni.

6. Per il trasporto di malati in veicoli speciali, per il nolo di carrozze e di bagagliai, per il nolo di compartimenti di I e di II classe e per il trasporto di feretri esistono speciali tariffe.

7. Riduzione di prezzo per ragazzi. I bambini sotto i 4 anni, che non occupano un posto, sono trasportati gratuitamente. I ragazzi di 4 ai 12 anni pagano in generale la metà del prezzo per adulti.

8. Per il trasporto dei viaggiatori e dei bagagli valgono del resto le disposizioni del regolamento di trasporto delle ferrovie ed imprese di navigazione a vapore svizzere del 1^o gennaio 1894, nonchè le vigenti tariffe interne e dirette di queste imprese.

9. Boni per il ritiro di biglietti convenienti quali dono. Contro pagamento del prezzo del biglietto, le stazioni svizzere rilasciano dei boni autorizzanti al ritiro gratuito del rispettivo biglietto alla stazione di partenza. Quest'istituzione permette di pagare a qualcuno il viaggio senza trasmettergli il danaro.

10. Le stazioni forniscono volentose e gratuitamente ogni informazione particolareggiata su tutto quanto precede, nonchè su qualsiasi altre quistione inerente al movimento viaggiatori, ecc. Presso le stesse si possono pure consultare le inerenti disposizioni.
